

HOW TO ACHIEVE ULTIMATE LEVEL

TARGET BUSINESS LEVEL	REQUIRED VOLUME
Member	200
Business	500
Elite	1,000
Ultimate	1,500

- Representatives have **4 weeks** to achieve their desired Target Business Level.
- The Target Business Level can be achieved using the following volume:
 - I. Personal Volume;
 - II. Personally Sponsored Preferred Customer Volume.
- Once the decided Target Business Level has been reached, the 4-week upgrade period ends and the Representative can no longer achieve a higher Business Level.
- If the desired Target Business Level is not reached within the initial 4 weeks, the Representative will remain at the highest Target Business Level at the end of the initial 4-week period.
- Personally Sponsored Preferred Customer Volume that is used to achieve the desired Target Business Level, WILL NOT pay the Sponsor a Team Lead Bonus.
 - I. Team Lead Bonus Volume will auto balance accordingly and will help rank advance if applicable.
 - PC Volume will only pay out a Team Lead Bonus, if and only if, the Sponsor has reached his or her desired Target Business Level and the PC is still within his or her initial 4 weeks.
- Representatives will earn Team Lead Bonus on New Personally Sponsored Preferred Customers
 - I. If the desired Target Business Level is reached before the initial 4 weeks and the PC is still within their initial 4 weeks.
 - II. If the initial 4-week period ends, and the PC is still within their initial weeks.
